## Statewide Community Service Project 2022-23 Paws for a Cause

2022-23 Statewide Community Service Project Topic: The project topic that was selected by teen participants at the 2022 Teen Leadership Conference is Paws for a Cause: A Pet Supply Drive. This project empowers individuals across South Dakota to donate new, gently used, or homemade pet supplies to be distributed to local animal shelters and care facilities. It also gives 4-H members an opportunity to provide in-kind support of the project by volunteering their time at local pet shelters or by fostering a pet to provide temporary care for animals.

It is also important that we ensure the pet supplies are donated to local animal shelters and care facilities, not shipped nationally or globally.

## 4-H NEWSLETTER

**Identify a Process for Service** – In order to allow all individuals an opportunity to participate in this year's project, we have implemented the option for hands-on volunteerism. For the sake of tracking and consistency, one (1) hour of service will be counted as one impact. If an individual/family chooses to foster an animal, this will count as 50 'points' towards your overall impacts. Suggested options may be as follows:

- Require that individuals visit your office to fill out a brief form declaring their service hours.
- Require that individuals visit your office to fill out a brief form declaring their fostering service.
- Require that individuals send an email or call your office to declare their service hours.

*Paws for a Cause* project concludes on **August 1, 2023**. Also, all donations **MUST** be made, and service hours completed by **August 1, 2023**.
